

**Research Experience for Teachers in Innovative
Transportation Systems at Montana State University**

Complete Application Checklist:

To complete your application, you will need to email the following materials to the Project Directors at WTIcamp@montana.edu by the application deadline:

Completed application form

Resume/CV

Personal Statement (~500 words) to include:

- Your expectations for the RET and why you are interested in participating in the program;
- How you plan to implement changes to your classroom instruction based on your summer research experience;
- What impact you would like your RET experience to have on your instructional practices and what impact you would like to see in your students as a result;
- Explanation of your specific interests and what types of projects you would like to work on (see descriptions on [webpage](#));
- Any additional information that you would like to share with the program directors relevant to the selection process.

A letter of recommendation from your Principal, Assistant Principal, or Department Head

Email all supplemental materials by the application deadline to: WTIcamp@montana.edu
